

Get to work. Faster.

DON'T LAG BEHIND THE COMPETITION BECAUSE OF TOOLS THAT AREN'T AS FAST AS YOU ARE. UPGRAD YOUR NETWORK AND IMPROVE THE QUALITY AND PRODUCTIVITY OF YOUR TECHNOLOGY

Stimulate Your Profit

Take advantage of our cost effective upgrade and migration packages. Micro-Tech U.S.A. is now offering three packages that will streamline your workload, increase productivity, and in turn, Stimulate Your Profit.

Micro-Tech U.S.A. has perfected the art of Network Migrations. The secret to Micro-Tech's success over the past 20 years has been moving forward with the changing technology and staying on top of the latest and greatest tools the industry has to offer.

Our dedication has allowed us to create migration and upgrade solutions that will not only fit seamlessly into any habitat, but also not break the bank.

SQL Server	upgrade or migration.. \$1000
Data is useless without a way of using and organizing it. SQL Server does just that with it's database systems.	
Exchange	upgrade or migration.. \$1500
Give your employees access to their emails, voice mails, faxes, calendar, and contacts, virtually anywhere, while maximizing efficiency.	
File Server	upgrade or migration.. \$2000
Data and files are the core of any business. Free yourself from the ties to the desk and get your data anywhere.
